Augie,

I don't know anything about this. I never knew there was one anywhere in the area. Where is it?

Hi Lorena and Shane,

Is this something that the PBID and/or Beacon House Boys takes care of? At one time, I seem to remember that Clean San Pedro emptied trash cans in and around downtown SP and that the Beacon House Boys took care of the ones around the Worldtots Center in the Port's parking lot area?

Shane, BTW nice job on the weeds on the North end of Plaza park!! Thanks!!!

Thanks,

Augie

Subject: YWCA Worldtots Child Care Center - Solar Trash Compactor

Hi Augie,

Is PBID still in charge of the solar trash compactors in the downtown area?

Do you know if they are also responsible for collecting the trash from these compactors?

The solar trash compactor in front of the YWCA Worldtots and Boys and Girls Club facilities need to be emptied, per a C&M employee. Steve Robbins informed me before that PBID was placing the solar trash compactors in numerous places.

Thanks,

Vivien
